X Edging between Drawer Set

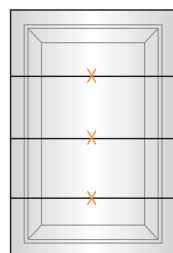

Square edge (default)

Match to outer edge profile

Drawer Set Example (Figure 1)

Drawer Bank Example (Figure 2)

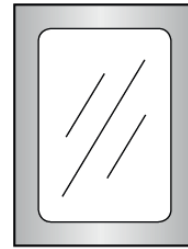

For Drawer Banks a surcharge applies per group. Refer to 'Easy Reference guide' for comprehensive details.

Note: Please note dimension constraints for selected profiles. Where x appears, if not specified, Between-Drawer-Edging will be supplied as Square edge. 'Match to outer edge profile' not available for drawer banks.

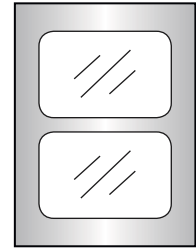

For reverse bevelled or reverse finger pull drawer set options only, please order as individual panels. No drawer set/banks available.

## Glazed Frames

Single Pane

2 Pane

4 Pane

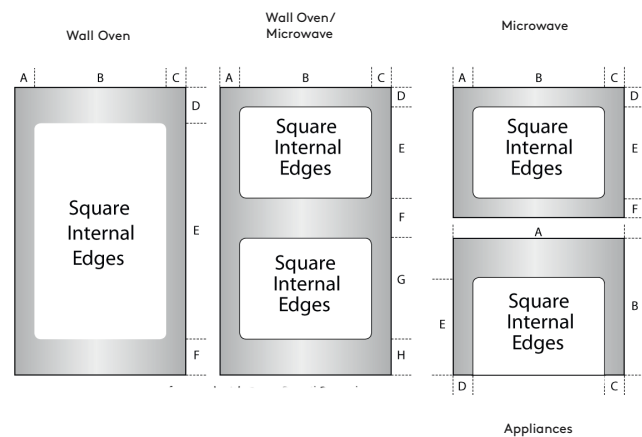

6 Pane

Cost per panel is a replication of its equivalent 'Door' PLUS 1 x surcharge, regardless of the number of Panes chosen.

## Appliance Frames

	Wall Oven	Wall Oven/ Microwave	Microwave	Appliances
A				
B				
C				
D				
E				
F				
G				
H				

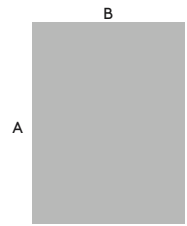

Note: External edges for all frames are manufactured as per edge profile selected on page 1. Internal edges on Glazed Frames match the door profile selected on page 1. Top, bottom, left and right rail minimum dimension of 60mm. Centre rail minimum dimension of 60mm. Glass Panel for Glazed Frames is not included. All appliance frames are manufactured with square internal edges. Appliance Frame minimum dimensions are 60mm. A Frame surcharge applies. Please ensure oven exhaust duct is correctly fitted to direct hot air away from doors and panels. Refer to the Technical Data Sheet for more details.
