Island: Dark tone

Not only does an island bench open up a kitchen for increased socialising, eating, prepping, and cooking room, it also makes a strong style statement. Create a streamlined island that provides extra storage with shelves and deep bottom drawers.

Use this guide as a starting point to bring your kitchen to life.

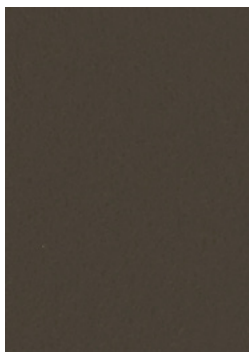

Design tips

Use subtle metallic accents that mirror the Brushed Silver kicker and for a luxurious edge use metallic accents, like appliances or fittings, that tap into the Brushed Silver kicker and Graphite cabinetry. If your space has limited windows, add a skylight, overhead lights, or white floor for brightness, or timber-look floors to balance the deep colour palette.
