L-Shape: Light tone

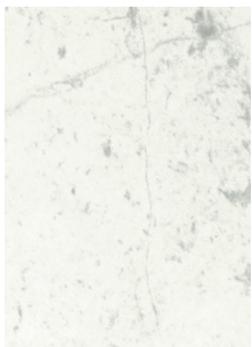

An efficient layout perfect for contemporary spaces, the L-Shape kitchen facilitates a work triangle for easy preparation, cooking and washing-up, as well as clever corner storage space. Excellent for open floor plans, it makes cooking whilst interacting with others a breeze.

Design tips

Crisp white walls and ceilings are an effective backdrop for this palette and will make your room appear larger and brighter, while Pure Marble makes benchtops feel more generous. To maximise storage and space, add overhead cabinets in Seal Grey and for a stylish finish use Bliss Shitake on your cabinetry interiors.
